

Pension Plan Governors, Biographies

Pension Board

Darwin Bozek FCPA, FCGA, ICD.D

Darwin is currently the President & CEO of Ontario Pension Board (OPB), which is the administrator of the Public Service Pension Plan, a major defined benefit pension plan, sponsored by the Government of Ontario. OPB's membership is comprised of certain employees of the provincial government and its agencies, boards, and commissions. Previously, Darwin was the President and CEO of Alberta Pensions Services Corporation (APS), which provides pension services to more than 385,000 public sector employees and pensioners throughout the Province of Alberta. Darwin is committed to ensuring OPB is well-positioned to deliver on the pension promise now and into the future by building on the existing foundation of professional and dedicated employees and growing workforce capacity. Darwin has extensive leadership experience, with close to 30 plus years working in the public service. Prior to joining APS, Darwin was the Senior Assistant Deputy Minister of Alberta Treasury Board and Finance. Previous roles include Controller for the Province of Alberta; Chief Financial Officer for AIMCo and the City of St. Albert; Assistant Deputy Minister, Strategic and Business Services, Alberta Finance; and auditor for the Office of the Auditor General. Darwin started his accounting career as an articling student with Ernst and Young Chartered Accountants after playing professional hockey in the Los Angeles Kings organization. Darwin has a Bachelor of Commerce degree from the University of Alberta, and is a Fellow of the Chartered Professional Accountants.

Tamara DeMos, FSA, FCIA

Tamara retired in June 2022 from her role as the Managing Director of the Private Pension Plans Division at the Office of the Superintendent of Financial Institutions (OSFI). In that role, she was responsible for all aspects of the supervision of private pension plans subject to Canadian federal legislation. Tamara joined OSFI in 2011. Prior to joining OSFI, Tamara was with the Treasury Board Secretariat where she held various roles related to the Canadian federal public service pension plan. Prior to 2007, she worked 18 years as a retirement consultant with Mercer. Tamara holds a Bachelor of Mathematics from the University of Waterloo. Currently Tamara is working on a part-time basis on various pension projects for the Financial Services Regulatory Authority of Ontario. She lives in Ottawa, has two adult children, Amanda and Evan, and in her spare time enjoys travelling, biking, hiking, cross country skiing, and cooking.

Ahren Estabrooks CFA

Ahren spent more than 25 years at Ontario Teachers', most recently as Managing Director, External Managers. He led a team responsible for generating long-term excess returns and managing portfolio risk for a large portfolio of external managers. Ahren managed programs in global and emerging markets equities and emerging markets debt. He was also a member of the underwriting committee responsible for approving external managers across other asset classes. Ahren is a CFA charterholder and holds a Master of Arts in Economics from York University and a Bachelor of Business Administration from Wilfrid Laurier University.

William Gilliland, BA (Hons), LLB, ICD.D

Bill is a corporate lawyer in the Calgary office of Dentons Canada, advising power and energy infrastructure companies on capital markets and M&A transactions, as well as board governance generally. Bill is a leader in ESG finance, representing Dentons Canada, both as a member of the International Capital Markets Association Green Bond Principles since 2014, and as a member of the CSA Group's technical committee, developing the

made in Canada Transition Finance Taxonomy following the 2019 recommendations of the Federal Government's Expert Panel on Sustainable Finance. Bill has been a member of the Advisory Council to the Green and Social Bond Principles Executive Committee. Bill's work includes ESG and sustainable finance, including in the areas of green, transition and sustainability bonds. Bill is a co-leader of Dentons Canada's Sustainability Committee and leads Dentons Canada's client-facing ESG practice. Bill has authored a publication on board responsibilities for climate-related disclosure.

Bill grew up in Winnipeg and has a BA (Hons) degree from Queen's University and an LLB degree from Dalhousie University. He holds the ICD.D designation from the Institute of Corporate Directors and has completed the Board Oversight of Climate Change and Board Oversight of Strategy Courses. Bill currently is board chair of Wellspring Alberta, a charity providing cancer support services across Alberta, and has been on the board of Biathlon Canada and other volunteer-based organizations. Bill and his wife Lavina have been very active supporting Ukraine evacuees arriving in Calgary. Along with their son and daughter, Bill and Lavina enjoy outdoor activities including road and gravel cycling, cross-country skiing and hiking.

[Kit Loewen - She/Her \(B.Sc., B.Ed., M.Ed\)](#)

Kit Loewen is proud to be a lifelong resident of Saskatoon, and aspires to continually discover new things about that rich community. Her home is located on the historical settlement areas of the Round Prairie/Prairie Rond Métis and within Treaty Six territory.

Kit has had extensive experience as a teacher, adult educator, facilitator, consultant and senior administrator. Kit's areas of interest are governance, organizational development and equity; including non-profit governance, organizational decision-making, individual and group coaching and adult learning. Pension plan governance is a particular interest.

She is an active member of St. Martin's United Church, where she has previously served as Board Chair and is currently a member of the St. Martin's Affirming Action Group which works to bring life to ensuring hospitality and equity within that community of faith and beyond. She currently serves on the General Council Executive of the United Church of Canada and acts as Chair of its Governance Committee.

In the past decade, Kit has been able to realize a life-long aspiration to work artistically with textiles, striving to bring light and colour to the often overlooked miracles of everyday experience in creation, and to draw attention to the beauty within our communities and the prairie landscape where she feels deep beauty, story and hope live in the grasses, forests, rocks and water.

[Alison McKay, BA, BAdmin, CPA, ICD.D](#)

Alison McKay leads a team of professionals who administer the largest defined benefit pension plan in Saskatchewan, providing retirement income security for the province's healthcare workers. As Chief Executive Officer of the Saskatchewan Healthcare Employees' Pension Plan (SHEPP), she works with the Board of Trustees to establish the strategic direction of the pension plan, which serves over 60,000 members and 50 participating employers, managing over \$10 billion in assets. Alison was appointed CEO of SHEPP in 2014, following six years with the organization in various senior leadership roles including Interim CEO, Chief Financial Officer, Director of Finance and Administration and Operations Manager. Before joining SHEPP she held various pension administration and financial management roles with SaskTel and SaskEnergy. Alison is a big supporter of the Pension Industry and also volunteers her time as a member of the Board and the Pension Committee of the Victorian Order of Nurses (VON) and as a member of the Canadian Investment Review Board. Alison is a

Chartered Professional Accountant and has a Bachelor's degree in both Mathematics and Administration from the University of Regina. In addition, she has completed the ICD-Rotman Directors Education Program.

Blair Paterson

Blair has been a United Church minister for over 30 years. He began as a student minister, while finishing his M.Div at Queen's and was ordained by Montreal & Ottawa Conference in 1997. He has served in leadership in many levels of United Church governance from local congregations, Presbyteries, Conference and as Commissioner to three General Councils (38, 42 and 43). Blair has seen ministry in Alberta, Newfoundland and Labrador as well as Ontario. He has specialized in Rural Ministry and is hoping to finish his work towards a D.Min from U of T before he retires. His connection to the Pension Board is not only due to his being a member of the Plan, but also from having served as Convenor of Pensions and Group Insurance for Seaway Valley Presbytery for many years. Blair is the pastor of Christ Church United in Chesterville, Ontario.

Katharine Preston MBA, B.Eng

As Vice President, Sustainable Investing, Katharine Preston is responsible for leading OMERS Sustainable Investing team. In this role, she leads the development and advancement of OMERS approach to Sustainable Investing and most recently, OMERS Climate Action Plan. The world class team supports OMERS with implementing its sustainable investing strategy of integration, collaboration, and engagement across the enterprise. To achieve this objective, Katharine and the team work closely with OMERS investment, risk, finance, and communications teams on matters such as ESG integration, climate risk, stakeholder communications and reporting.

Working in the pension industry for more than 15 years, Katharine previously served as Director, Responsible Investing at OPTrust, an Ontario-based public sector pension plan. At OPTrust, Katharine was instrumental in defining a strategy for integrating ESG factors into investment practices and leading the development of a Climate Change Action Plan. Prior to joining OPTrust, Katharine held positions with Innovest Strategic Value Advisors (now part of MSCI) and Stantec Inc.

Katharine currently serves on the Pension Board for the United Church of Canada's Pension Plan; the Investment Committee for the University of Guelph and recently completed a final term on the board of the Pension Investment Association of Canada (PIAC). Katharine also sits on the Canadian Coalition for Good Governance's Environment & Social Committee and chairs the Investor Leadership Advisory Panel of Climate Engagement Canada.

Katharine holds a Bachelor of Engineering, Civil and Environmental Engineering from McGill University, as well as an MBA from the Schulich School of Business, York University. She also holds a Certificate in Fundamentals of Alternative Investments from the Chartered Alternative Investment Management Analyst Association (CAIA).

Thea Sheridan-Jonah

Thea Sheridan-Jonah is in her final year of her undergraduate program majoring in Political Science and minoring in Indigenous Studies at the University of British Columbia on unceded Musqueam, Squamish, and Tsleil-Waututh Territory. Thea is a member of the General Council Executive (GCE) and serves as a GCE representative to the Pension Board. She is also a member of the Regional Executive and the President-Elect of Pacific Mountain Region. She previously served as a regional executive member to Horseshoe Falls. She has worked for the United Church GO project for the past four summers on contract as National Coordinator for the Youth Forum, then Climate Motivator and finally Leadership Animators program. Outside of the United Church Thea is especially passionate about harm reduction, decolonization, climate justice, and global solidarity. At UBC for the

past three years she has worked as the Substance Use Health Project Assistant at the UBC Wellness Centre, President of the Vancouver Chapter of Canadian Students for Sensible Drug Policy (CSSDP) and is a founding member of the UBC Harm Reduction Coalition. She served on the national Board of Directors for CSSDP as treasurer for two years and is currently serving her third term as board chair. Thea is also a member of the Board of Directors of Pivot Legal Society in Vancouver, she served one term as treasurer and is currently a member at large. Thea is passionate about working within and outside of our systems to advocate and make change rooted in community care and radical love.

[Anne Soh \(Chair\), FSA, FCIA ICD.D](#)

Anne Soh retired from her position as Vice President and Plan Actuary at the Ontario Municipal Employees Retirement System (OMERS) in January 2023. An executive with over 30 years of experience in the pension and benefits industry, Anne advised the OMERS boards of directors on plan funding and sustainability matters, overseeing the in-house actuarial department. Before joining the United Church Pension Board, Anne chaired the Pension Plan Advisory Committee from November 2013 to December 2020. She also serves on the Board of Directors and the Finance and Audit Committee of Canada's National Ballet School. Anne is a Fellow of the Canadian Institute of Actuaries and has an Hons. Bachelor of Science degree from the University of Western Ontario. She is also a graduate of the ICD – Rotman Director Education Program.

[Daniel Yourkevich](#)

Dan grew up in Oshawa, Ontario. He became a candidate for ministry through Oshawa Presbytery. After earning a Bachelor of Arts at the University of Toronto and a Master of Divinity at Queen's University in Kingston, Dan was ordained by Bay of Quinte Conference in May 1977.

Dan served Buckhorn Pastoral Charge while studying at Queen's. After ordination Dan shared in ministry in Esterhazy, Saskatchewan, and in Ontario which included places like Tavistock, Simcoe, Peterborough, Uxbridge, Toronto, and Port Hope.

After retirement Dan served in Oshawa Presbytery for several Sabbatical Appointments, or for congregations seeking new ministers, or dealing with leaves for health reasons.

Throughout his ministry Dan has also served in the National Department of Stewardship Services and in Presbyteries as Presbytery Secretary or Stewardship Chair.

An important part of Dan's life from his youth has been celebrating and sharing his Ukrainian heritage. Dan and his wife Joanne now live in Oshawa and attend Westminster United Church in Whitby where he is a Voluntary Associate Minister.

Pension Plan Advisory Committee (PPAC)

Ingrid Chingcuanco (Chair)

Ingrid is a senior pension executive with over 20 years of experience across public and private sectors. She currently serves as the executive lead of OPTrust's pension administration transformation program – a multi-million-dollar, multi-year initiative to modernize the pension system for one of Canada's largest defined benefit pension plans, which manages over \$26 billion in assets. Prior to joining OPTrust, Ingrid was Vice President of Pension Operations at OMERS, where she oversaw critical functions including management of pension payroll, data, quality assurance and controls, as well as cross-functional projects. Her extensive background also includes public and pension plan policy development, actuarial practice, and pension regulation. Throughout her career, Ingrid has developed solutions to complex problems and successfully implemented large-scale transformative initiatives. She is active in the pension industry through her participation on the Presbyterian Church in Canada's Pension and Benefits Board. She has also served on the Financial Services Regulatory Authority's Technical Advisory Committee on Asset Transfers and on the Association of Canadian Pension Manager's National Policy Committee.

James Fera B.Sc, LLB

James Fera is Vice President and General Counsel at the Colleges of Applied Arts and Technology Pension Plan (CAAT), an Ontario registered jointly sponsored pension plan. With over 15 years of experience practicing pension and benefits law at both major consulting and law firms, James advises CAAT on matters relating to the operation and administration of the plan as well as mergers with other defined benefit pension plans. James holds a Bachelor of Arts in political science and an LL.B. from Osgoode Hall Law School.

Corbin MacGillivray, BSc, ASA

Corbin MacGillivray is a Vice president, Benefit Payments for the Northern Trust Canada Asset Servicing, a global leader in institutional financial services. In his operations leadership role, Corbin oversees the Benefit Payment operations for Northern Trust in Canada which serves 85,000 retirees and is responsible for the record keeping and systems applications that support these retirees and their administrators. Corbin has over 15 years of experience in all facets of the pension industry. He has extensive experience in custody, paying agency, (actuarial) pension consulting and administration. Prior to joining Northern Trust, Corbin was an actuarial pension consultant at a global HR outsourcing firm.

Corbin holds a Bachelor of Science (actuarial science) from Western University. He is an Associate of the Society of Actuaries (ASA).

Peggy McCallum, BA (Hons Journalism), LLB, C. Dir.

Peggy McCallum joined the Pension Plan Advisory Committee in 2023. She is a former partner and currently counsel at the Fasken law firm, where she served as chair of the pension and employee benefits law group for several years. She was previously senior legal counsel for the former Pension Commission of Ontario. She has been practising pension law since her call to the Ontario Bar in 1985. Peggy was a member of the Sponsors Committee of the Colleges of Applied Arts and Technology (CAAT) jointly sponsored Pension Plan for 12 years. She has served two terms as Chair of the Ontario Bar Association's Pension and Benefits Section and participated in various industry groups such as the Association of Canadian Pension Management. She is a director of the Financial Services Regulatory Authority of Ontario and of the Peterborough Regional Health Centre. She has received her Chartered Director designation from the Directors College at McMaster University.

Laura Newman

Laura Newman retired after over 30 years as a senior retirement consulting actuary in WTW's (Willis Towers Watson) Toronto office in 2020. Her clients included several large jointly-sponsored pension plans and other organizations in the broader public sector. In addition to holding the role of external actuary, she provided strategic consulting advice on the funding, accounting, investment and design of her clients' retirement arrangements. She held several internal leadership roles over the years focusing on managing and developing colleagues and the operational aspects of WTW's retirement business in Canada. Laura was a Fellow of the Canadian Institute of Actuaries (FCIA) and a Fellow of the Society of Actuaries (FSA) (now retired) and has extensive volunteer experience in the actuarial community including as a member of the Canadian Institute of Actuaries' Actuarial Standards Board. She is a recipient of the CIA's gold certificate of merit in recognition of her many professional contributions over the years. In retirement, Laura is serving on a number of boards and is the treasurer for her local church.

Kevin Pyo FSA, FCIA

Kevin Pyo joined the Pension Plan Advisory Committee in 2021. Kevin is a Fellow of the Canadian Institute of Actuaries (2008) with over 25 years of pension and benefits industry experience. Currently, Kevin is VP, Global Pension, Benefits and Wellbeing at CIBC. His accountabilities include oversight of all matters related to CIBC's pension and benefits plans from operations to governance reporting to the CIBC Board of Directors. Prior to CIBC, Kevin was a consulting actuary at various pension consulting firms in Canada assisting plan sponsors/administrators with a wide range of matters including plan design, strategy and funding. Kevin also served as a member of the Federal Council of the Association of Canadian Pension Management, who provides input to regulators on legislative matters including funding regulations, plan operations and plan member communications. Kevin is passionate about improving the financial wellbeing of Canadians including financial literacy, financial resiliency and preparedness for the future. In his local church community in Toronto, Kevin is also an active member serving in several ministries.

Helen Redmond, BA (Hons)

Helen has been working in Ontario defined benefit pension plan administration for over 20 years, and as Vice President of Pension Administration she leads the cross-functional member service team who administers the Toronto Transit Commission Pension Plan (TTCPP). In addition, Helen serves as Corporate Secretary to the TTC Pension Plan Board of Directors, where she is responsible for ensuring adherence to proper governance, policy best practice and legislative compliance standards. Helen contributes to establishing and delivering on TTCPP's strategic goals and initiatives and is acting as the Project Manager for a large-scale multi-year pension administration software implementation upgrade, scheduled for completion in 2027. Prior to joining TTCPP, Helen started her pension administration career with Ontario Pension Board in various data analysis and member service roles. Helen is passionate about providing excellent customer service to her plan's active and retired membership and advocates for creating concise and engaging member educational material at the critical times in their retirement journey. Helen holds an Honours BA from the University of Toronto and a Pension Plan Administration Certificate (PPAC) from Humber College, and lives with her husband and their two teenage boys.

Investment Committee

Adam Buzanis, CFA

Adam is Senior Director, Private Equity at CAAT Pension Plan and oversees all aspects of the Plan's global private equity portfolio, with a focus on origination, execution and portfolio management. Adam brings over 18 years of investment management experience with a specialization in private asset classes and alternative investments. Adam serves on several corporate boards and the advisory committees for partnerships within CAAT's private equity portfolio. Adam is a CFA charterholder and earned a Master of Finance degree from the Smith School of Business at Queen's University.

Cathy Carlin, CFA

Cathy has over 30 years of experience in the investment management industry, specializing in public equities. Cathy spent 25 years at OMERS, a defined benefit pension plan, starting as a public equity analyst and retiring from executive level Senior Managing Director role, leading the global equity team. Prior to OMERS, Cathy worked for 5 years at TD Wealth, where she consulted with investment advisors in constructing portfolios for high-net-worth clients. Cathy is a CFA charterholder and holds a Bachelor of Business Administration degree from Wilfrid Laurier University. She is currently an independent member on the Investment Review Board of Nicola Wealth Management. She is also a trustee of the Toronto Symphony Orchestra Foundation, was formerly on the Board of CODE (an organization dedicated to children's literacy in Africa) and chaired the board of CODE Foundation. Cathy and her husband have two grown sons and a Portuguese Water Dog, all of whom love to spend time at the lake.

Doug Chau, CFA, PRM, CQF, M.Sc., PhD

Doug is the Chief Risk Officer and Head of Research at the University of Toronto Asset Management Corporation (UTAM). Doug joined UTAM in 2017 and is responsible for asset allocation modelling, risk management and measurement, research, and performance analysis. Previously, Doug worked for 15 years at OPTrust, where his responsibilities included developing strategic asset allocation models, researching risk factors, completing internal and external investment strategy evaluations, implementing performance and ALM systems, and developing a set of quantitative tools to inform investment decisions.

Doug holds a PhD in Finance from the EDHEC Business School, a Master's degree in Science with a specialization in Finance (M.Sc.) from the University of Reading, a Master's degree in Statistics (M.Sc.) from the University of Toronto, and an honours undergraduate degree in Mathematics and its Applications (B.Sc. Hons) from the University of Toronto. Doug holds the Chartered Financial Analyst (CFA), Professional Risk Manager (PRM) and Certificate in Quantitative Finance (CQF) designations.

Samantha Cleyn, CFA, MBA

Samantha is the Head of Institutional, Canada for Ninety One. She is responsible for driving commercial development within Canada, which is inclusive of building relationships and raising assets with public and corporate pension plans, foundations and endowments, insurance and wealth platforms coupled with global and local consultant engagement.

Samantha joins from BMO Global Asset Management where, as Managing Director, Head of Institutional Sales & Service, she was responsible for building and executing the firm's institutional channel's growth strategy. Her previous experience also includes leading institutional efforts nationally at T. Rowe Price and as a Senior Investment Consultant at Mercer.

Samantha holds a Master of Business Administration and Bachelor of Commerce from Concordia University. She is a CFA charterholder and is fluent in French.

[Andrew \(Andy\) Greene, MA, CIM, CAIA \(Chair\)](#)

Andy Greene brings over 25 years of investment experience in both the U.S. and Canada as a plan sponsor, portfolio manager, and investment consultant to his role on the Investment Committee. Andy is currently serving as the Chief Investment Officer for the Toronto Transit Commission (TTC) Pension Plan, a \$9bln defined benefit plan. Prior to this Andy spent eight years at OPTrust, as Director, Public Market Investments overseeing public equities, fixed income and hedge funds. Before his work at OPTrust, Andy worked at Northern Trust, the University of Wisconsin Foundation and Willis Towers Watson. He holds an MA in Applied Economics from Binghamton University and a BA in Economics from Ithaca College, the Certified Investment Manager (CIM) and Chartered Alternatives Analyst (CAIA) designations. He is a member of the CFA Institute, CFA Society of Toronto, and the Pension Investment Association of Canada (PIAC). In addition to his service to the Pension Plan of The United Church of Canada, Andy also serves on the Investment Committee for the York University Pension Plan. Andy lives in Toronto with his wife and three children.

[Lori Hall-Kimm](#)

Lori joined Healthcare of Ontario Pension Plan (HOOPP) in 2022 as the Head of Global Private Equity. In her role, Lori leads the Private Equity team and is responsible for the strategic, operational and investment activities for private capital. She also oversees its global portfolio, which ranges across a variety of industries and asset classes. In 2025, Lori was named to the Private Equity International Women of Influence in Private Markets list, which recognizes influential women making their mark in the alternative assets industry.

Prior to joining HOOPP, Lori spent six years with CPP Investments, most recently as Managing Director, Direct Private Equity, where she led the team responsible for the Consumer/Retail sector. Previously, she spent nearly 11 years in the Private Capital team at Ontario Teachers' Pension Plan, helping establish their London office and leading their European fund and co-investments and also worked in investment banking at Goldman Sachs.

Lori holds a BBA (Honours) from the Schulich School of Business at York University and an MBA from Columbia Business School.

[Sean Macaulay, CFA](#)

Sean Macaulay has a breadth of experience in all aspects of operations of pension asset management. In 2020, he joined EagleTree Capital, ULC as an Operating Partner and Chief Responsible Investment Officer. Previously, he was the head of private equity at the Investment Management Corporation of Ontario (IMCO) and was formerly the head of private equity at the Ontario Pension Board (OPB), an IMCO founding client. While at IMCO/OPB, Sean led IMCO's/OPB's private equity investments, served as a board member or advisor to numerous portfolio companies, led OPB's asset/liability studies, and developed OPB's initial external public markets manager review process, among other accomplishments. Prior to IMCO/OPB, Sean was a senior investment professional for the University of British Columbia Investment Management Trust and the head of the Vancouver investment consulting practice for Hewitt Associates. He received his Bachelor of Commerce (Honours) with Distinction from the University of Manitoba (1994), majoring in Actuarial Mathematics and Research/Operations Management and is a Chartered Financial Analyst (2003). Sean lives in Newmarket, ON, with his wife and two children.

Nirupa Muthurajah

As Director, Equity Strategies Lead at University Pension Plan, Nirupa oversees the design and management of active equity strategies. She is responsible for manager research and due diligence across long-only and absolute return strategies, as well as the long-term strategic direction of UPP's active equity strategies.

Nirupa's career spans Canada's top pension plans, Ontario Teachers' Pension Plan and CPP Investments, as well as a prominent family office. Her experience encompasses diverse roles across private and public markets, building global systematic strategies, structuring hedge fund portfolios, supporting direct lending in Asia-Pacific, and has experience investing in early to late-stage private equity as well as public investment strategies.

Nirupa holds an Honours BA in Financial Mathematics with Business Administration from Wilfrid Laurier University. She is a member of the Investment Committee for the Pension Plan of The United Church of Canada and the Ontario Hospital Association.

Outside of her professional pursuits, Nirupa enjoys spending time with her young family, and is a proud ambassador for the Princess Margaret Cancer Foundation, an organization dear to her heart.

Deborah Ng, CFA, M. Finance

Ms. Ng is the Head of ESG and Sustainability at Grantham, Mayo, Van Otterloo LLC (GMO) and leads the firm's sustainability and climate change strategy. She is responsible for key deliverables including research and thought leadership, integration frameworks, and corporate engagement. Prior to joining GMO in 2022, she was the Head of Responsible Investing at Ontario Teachers' Pension Plan (OTPP) and was part of its Strategy & Asset Mix team, where she focused on the research, evaluation, and introduction of asset allocation strategies.

Ms. Ng is a member of the Global Reporting Initiative (GRI) Standards Board, the Investment Committee of The Pension Plan of the United Church of Canada and a member of the Business Future Pathways' Financial Committee. Ms. Ng earned her Bachelor of Commerce and Master of Finance from the University of Toronto. She is a CFA charterholder.

Steve Smith

In his current role as Head of Global Infrastructure at Healthcare of Ontario Pension Plan (HOOPP), Stephen is responsible for overseeing all infrastructure investments and related portfolio activities. His infrastructure experience includes airports, toll roads, communication, and power generation and transmission. He joined HOOPP in 2010 as a Partner, Private Equity (PE) and played an active role in expanding the PE portfolio for more than nine years and continues as a Board member of one of HOOPP's largest PE investments. Prior to joining HOOPP, Stephen was a Partner of KPMG LLP and a Senior Vice-President and Director of KPMG Corporate Finance, where he advised corporate clients on business development, strategic acquisitions, financing and divestitures. He received his Bachelor of Commerce from McMaster University and also holds Chartered Professional Accountant and ICD.D designations.
